### **Important info for runners**

#### **At home**

Before leaving the house be sure to have with you:

1. Your personal bib number with pins
2. Running shoes and clothes.
3. Clothes and shoes for after the race.

### **Start of the race**

Participants must be on the start area one hour before the start of each race Attention:  
From 18:30 until 22:30 no vehicles will be allowed on the race route.

### **Placement at the starting point**

Maximum 15 minutes before the start of each race runners must be at the start area  
Invitation athletes and athletes from Running clubs must place in the first rows at the start  
line. All participants kindly showing sporting ethical and "fair play" to cede this position to  
the athletes who will compete for discrimination.

### **During the race**

Along the route the following runners support stations will be available:

- Water stations every 2.5km and at finish line.
  - First Aid stations spread in the route and at the finish line .
  - First Aid providers with motorbikes will be en route and Ambulance will be on call at the finish line
- 
- Rescuers and volunteers will be scattered along the route

### **Time Limit**

The time limit for the 10km run is one hour and fifteen minutes

If some runner quit the race for any reason must contact a volunteer or a race marshal. In  
case that someone DOES NOT NEED medical assistance can:

- (a) stay at the place so a organization car can pick him/she up and drive hom/she to the start -finish area
- (b) wait the last runners car support to pass, or
- (γ) go on foot to the finish line with own responsibility

### **ATTENTION:**

Runners are strictly forbidden to continue their effort outside of cut off time, at any point  
along the route, and must be aware that they will be compulsorily picked up by a race car or  
by police car for their own safety

After 22:30 police will open the race route to the cars traffic

### **Timing**

Digital timing clock will be placed on the leading car

## Electronic Timing

At the Start -Finish line there will be electronic timing equipment . There will also be checkpoints at midpoints of the route. Any runner with no electronic indication at start, finish and intermediate check points will be disqualified. All participating runners should wear the bib number with the timing chip so they can have finish time and be shown at the live results

## After the finish

Immediate medical assistance can be provided by medical personnel in the area of the Start-Finish area. Leaving the finishing area, athletes are provided with bottled water, isotonic drinks and fruits.
